

DONATION FORM – ROBERT W. LASKIE MEMORIAL CHORALE FUND

The Amherst Central Alumni Chorale, a vision of '58 alumnus Robert Laskie, is in its third year of producing wonderful music. It is almost 50 members strong. Our inaugural conductor and accompanist, Rosemary Dayton and Carolyn Russell, will continue on a part time basis. But the funds will be to compensate all directors and accompanists and ensure the future of the Chorale.

Bob sang with us until he was no longer able to, sadly succumbing to pancreatic cancer. We miss Bob with all our hearts and it is our desire to begin a fund in his name to enable the chorale to continue bringing generations of alumni together sharing music, memories and friendships. We are forever indebted to Bob, Posy and Carolyn for spring boarding this wonderful group!

Please feel free to donate in memory or honor of Bob or another musical alumnus!

Thank you for your support!
