FUNDRAISER: Benefiting Cancer Research at RPCCC, and Steven's Buddy Bench Project (an anti bullying movement.) adults \$25, ages 6-12 \$7 ages 5 & under free

Steven's Spirit of Giving Initiative, and friends will hold a fundraiser on September 8, 2019 at the Audubon Golf Course Pavilion, 500 Maple Road, Williamsville, New York 14221. The event seeks to promote an increased awareness for 2 important causes, local cancer research, as well as the anti-bullying message through the placement of "Buddy Benches" at community playgrounds and local elementary schools.

According to the American Cancer Society Cancer Facts and Figures annual report there will be an estimated 1,762,450 new cancer cases diagnosed this year, and 606,880 cancer deaths in the United States in 2019. Let's all do our part and help to get those numbers down to 0!

According to stopbullying.gov, 70.6% of young people say they have been bullied by other children in their school. 70.4% of school staff have reported witnessing bullying in the schools where they work, 62% have witnessed bullying in their schools 2 or more times in the past month, with 41% witnessing bullying in their schools once a week. These are alarming statistics, and do not take into account the increase in "cyber bullying", which can lead to isolation, low self-esteem, depression and in some cases suicidal thoughts and actions. We want those numbers to be 0%! Help us teach kindness and inclusion through Steven's Buddy Bench Project.
